To Whom It May Concern:

I highly recommend Danielle Schouten as a candidate for employment. Danielle accomplished a 6 months placement at Unibail-Rodamco from July to December 2009. During that period, Danielle managed the marketing and communication at Stadshart Amstelveen. Danielle helped launch the new communication campaign, closely monitored the creation of the brand book and the production of the campaign, including a launch party to celebrate the newly refurbished shopping center. She also helped in the preparation of the Marketing Plan 2010, adding a strategic marketing layer to her mastered communication and events expertise.

Danielle is an excellent team player that also performs well individually. She is great managing third parties, extremely organized, reliable and enthusiastic. She is flexible and willing to work on any project that is assigned to her. I found her to be consistently pleasant, tackling all assignments with dedication and a smile.

Danielle would be a great asset for a company seeking for a marketing communications expert and has my recommendation. If you have any further questions, please do not hesitate to call me.

Sincerely,

María Aguado Cabrera
